# Volunteer Notes

### Mental Health Initiative

The Continuous Quality Improvement Team is working on Mental Health screening and assessment protocols allowing for all patients to be screened at least once per year for anxiety and depression.

This is in response to an increased incidence of symptoms in patients, and it brings about equitable services on par with traditional medical clinics and the care received routinely in this setting.

Stay tuned for more details!

# Community Outreach Events

#### Nov 3

Good Gifts Market @ Shepherd of the Hills

#### Nov 4

Larimer County Health Department to provide flu and COVID shots during evening clinic

#### Dec 8

Community Empowerment Event @ Senior Center

#### **Dec 14**

Serve 6.8 Adopt-a-Family Event at Vineyard Church

Email Kate if you want to help out!

# On the Horizor

Starting in January, we will have dedicated providers AND clinic times reserved each month for 6-8 Women's Health visits thanks to 3 specialized providers and some minor scheduling adjustments.

If you've got a patient who needs services, scheduling on the 1st and 3rd Monday evenings is possible each month.

#### Services Include:

Cervical cancer screenings, breast exams, GYN-related concerns, family planning, contraception

## Clinic Reminders

#### **Monday Evenings:**

- Arrive between 5:30-5:45pm
- Be ready to see patients at 6pm
- Clinic wraps up between 8-8:30pm
- We're short on take-down crew if you've got time, pick up your area!

#### **Saturday Mornings:**

- Arrive between 8:30-8:45am
- Be ready to see patients at 9am
- When cleaning up, if you notice the video monitor in the hallway without camera feeds, plug back in please!
